“

In it are clear signs [such as] the standing place of Abraham. And whoever enters it shall be safe. And [due] to Allah from the people is a pilgrimage to the House – for whoever is able to find thereto a way. But whoever disbelieves – then indeed, Allah is free from need of the worlds.

## Gold Hajj Package (3 weeks)

16<sup>th</sup> August - 7<sup>th</sup> September 2018

Assalamu'alaikum Warahmatullahi Wabarakatuh

We welcome you to our Gold Hajj Package, perfect for couples or those who require their own space, with the hotel rooms based on **double occupancy**. (Family rooms for triple and quad occupancy available on request).

The hotels chosen for this Hajj package are considered the **best** in both Makkah and Madinah, with emphasis on luxury and exceptional service. Both hotels are located directly in front of the Grand Mosques in Makkah and Madinah.

**Raffles Makkah Palace** has exceptional 5 star services with approximately 80 square metres per suite including one master bedroom with a master bathroom, walk-in shower and an accompanying living room with a guest toilet. The all-suite hotel has spa and gym services included as standard.

Location: Within **The Clock Tower** opposite the Grand Mosque

**Raffles Makkah Palace** is a resting place for pilgrims, offering calm contemplation with the most sacred site in Islam. Surrounded by holy sites including the Ka'aba, Al Masjid Al Haram, Zamzam Well and Jabal Al-Nour, **Raffles Makkah Palace** is an extraordinary setting to lift the soul and take your breath away.

Each of the 214 suites within walking distance of Holy Mosque, providing comfortable and gracious accommodation, with separate living and dining spaces. Raffles' signature style of service - anticipatory, thoughtful and thorough - the entire experience is both inspiring and relaxing.

The hotel offers a selection of dining options, each with its own atmosphere and setting combined with the timeless traditions of Arab hospitality: Al Majlis Restaurant presents Levantine specialties from the eastern Mediterranean; Al Qasr features mouthwatering international cuisines including Arabic, Indian, Moroccan and western dishes; and The Creamery is an alfresco ice cream parlour featuring custom-designed Teppanyaki ice cream dishes with both indoor and outdoor dining overlooking the Holy Mosque.

“

*It was an incredible experience, we both really benefited from the Hajj and I want to congratulate you all for a flawless trip and your organisational skills are first class. May Allah grant you all the reward you deserve. ~ Yacoub*

”

**The Oberoi Madinah** enjoys an unrivalled position, just steps away from Al Masjid Al Nabawi Al Shareef (The Prophet's Mosque) where the green dome marks the final resting place of the Prophet Mohammed.

The hotel is more classic in style with emphasis on service and a personal touch. In addition, for guests' comfort and assurance, the closest entrance from the hotel to the mosque is the ladies' gate.

**Location:** First row of hotels on the women's side entrance of The Prophet's Mosque

The hotel serves the widest and finest range of international and Arabic cuisines. **The Oberoi Madinah** is home to the city's first ever Japanese restaurant, as well as the all-day, multi-cuisine Al Ansar, Indian restaurant; Al Andalus, and an English- style tea room.
