“

In it are clear signs [such as] the standing place of Abraham. And whoever enters it shall be safe. And [due] to Allah from the people is a pilgrimage to the House – for whoever is able to find thereto a way. But whoever disbelieves – then indeed, Allah is free from need of the worlds.

“

*Just wanted to say thank you for everything that was done to ensure we all had a safe and fantastic experience. Alhumdulillaah with Allahs grace we had a phenomenal time and I am so happy we went with Hasan Hajj. Now InshaAllah if Allah permits I will be joining you guys again but this time with my husband. I've been telling so many people how much I would recommend you guys as I can honestly say we had the time of our lives. You guys were on point from the moment we reached Rusaifa till we departed KSA. It was so sad to leave which was a clear reflection on how much love we knew we were leaving behind. We made new friends, that slowly became family. Strangers who became our support system. ~ **Fatima***
